

# True Colors Assessment

**Directions:** Starting with the first row, rate each word cluster from 4 (sounds like me 😊) to 1 (not me ☹). You will need to force yourself to assign a number to each cluster! Only one cluster in a each row can not be given a 4, 3, 2 or 1. Repeat this process for the remaining rows. Then, add up each column for your final scores.

😊 4      3      2      1 ☹
