

Letter to My Instructor

This assignment is due Monday of Week 2 at the beginning of class. The purpose of the assignment is for you to have an opportunity to let the instructor know a little bit more about yourself in a confidential manner.

Write this letter in Google Docs or other word processor, then print it out and turn it in.

Your letter should be about one page long, printed out. It does not have to be double spaced. *Break up your writing into paragraphs. Some questions may be related to each other and can be answered in the same paragraph.* Some questions have only one-sentence answers, so you can combine shorter sentences into paragraphs. You be the judge of where to break the paragraphs.

Please include *at least six* of the following.

1. Tell me about your mom and dad. Where did they come from? What do they do for a living?
2. Tell me about your (last) name. What language is it? What does it mean? (Feel free to tell me the same about your first name if it is interesting.)
3. Your likes and dislikes.
4. What was the last book you read?
5. What do you see yourself doing five years from now? Are you planning for college?
6. What are your talents and gifts?
7. What can you contribute to this class?
8. Who is your favorite role model and why?
9. What are your goals?
10. What do you expect from your instructor?
11. What do you think your instructor expects from you?
12. Why did you choose to take the Mobile Apps class?

Have fun with this. I am looking forward to a successful year of learning!

Please feel free to express what you like. This assignment is confidential and non-judgmental. I will grade you on *how well you follow the instructions*, but not on the content of your letter, grammar, or spelling (this time).
